## **Vacation Bible Camp June 6— July 29, 2016**

We know that you have many choices for summer camp and we hope that you will share your child(ren) with us this summer.

Our camp is staffed with professional teachers that teach throughout the year at various schools but come to share their love for children and God with us during the summer.

Each teacher has one or two teen counselors that assists him or her with making sure that the children are engaged, challenged, and well supervised.

**Camp Flourish** invites children from **Preschool through Eighth grade** to attend our summer camp.

Our camp is packed with biblical truths, creative art projects, fun and silly games, free weekly field trips, free meals, performance arts, engineering, cooking, math/reading, computer science, and much more.

**LOOK INSIDE AND DISCOVER WHAT IS AWAITING YOUR CHILD AT CAMP FLOURISH THIS SUMMER!**

## **TCPRESCHOOL.ORG**

Each morning will start with breakfast, group camp activities/games and Bible lessons. The theme this summer is Living the Fruit of the Spirit. Not only will your child enjoy engaging Bible lessons but each day they will have 2 different specialty classes.

## **PRESCHOOL**

### **Little Artists**

Explore shapes, color & texture and more with these fun art projects.

### **Bon Appetite**

Learn to make fun and delicious treats.

### **Music and Me**

Explore your natural musical talents whether it is singing, playing or making instruments.

### **Wacky Science**

Enjoy wacky and strange science experiments.

### **Fun with Math & Writing**

Explore fun ways to enhance math and writing skills.

## **ELEMENTARY/MIDDLE SCHOOL**

### **Fun with Math & Reading**

Enhance math and reading skills while having so much fun you won't realize you're learning.

### **Engineering Adventure**

Explore real-world problems and use the Engineering Design Process to create solutions!

### **Bon Appetite**

If your child loves to eat, taste and smell, this class will be a blast.

### **Computer Science**

Create computer programs that will help you learn to collaborate with others, develop problem-solving skills, and persist through difficult tasks. By the end of this course, you will create your very own custom game or story that you can share.

### **Recreation/Sports**

Enjoy some of your favorite sports and learn some new ones in this fun and energetic class.

### **Picasso**

Develop your creative side as you do projects that stretch your imagination.

### **It's All About the Money**

Learn how to make sound purchasing choices, budget, save, and be a wise shopper in this class.

### **Let's Talk**

Learn effective ways to communicate, resolve conflict, and listen in this engaging class.
